

# HAPPY NEW YEAR!

The new year is...

A large red-outlined star shape containing a single horizontal line for writing.

A favorite memory from last year was...

A large red-outlined star shape containing four horizontal lines for writing.

On my birthday this year I will turn...

A red-outlined star shape containing a single horizontal line for writing.

This year I hope I can go...

A large red-outlined star shape containing five horizontal lines for writing.

This year I want to get better at...

A large red-outlined star shape containing five horizontal lines for writing.

This year I want to try...

A large red-outlined star shape containing five horizontal lines for writing.

This year I want to learn...

A smaller red-outlined star shape containing three horizontal lines for writing.

Something I am looking forward to this year is...

A large red-outlined star shape containing five horizontal lines for writing.
